**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow broadband competition for my neighborhood. I want to continue to have choices in which broadband provider I choose and pay a fair price for it. Having a conglomerate provider will only give them more power to increase prices while giving their customers complacent, subpar service. Having competition in the market will keep providers alert in the services they offer while keeping a fair price point. Thank you for reading!
